The Earth Poem

My poem isn't about the earth its about things I saw on a walk at a smelly camp, the things about me started with a G and the things in my eye longest feet new started with an M, this is my poem

Metal Chair

Arctic Ocean

Building Binder Bus Backpack Grind for a shaded picnic

Bush Boy Bin Brick Bike Bike Rack Bike Bike Rack

Pacific Ocean

Glasses Glasses Green leaves

Antarticta will be filled with his Mint Chalk and Me

Atlantic Ocean

Central Park which I put in North America with Gs and Greenland with Gs and will fill Asia with Gs and Ms Girl green shirt

Pacific Ocean

I filled south America with Gs and Greenland with Gs and will fill Asia with Gs and Ms Girl green shirt

Europe

This is Africa which I will fill with Ms Mohanted Vehicle 610 wagon tee shirt

This is Africa which I will fill with Ms Mohanted Vehicle 610 wagon tee shirt

Green Bike Bike Bike Sign Metal Gate Gate

Indian Ocean The North Pole Was M

Magenta Girl Made out of Milk Bus Australia will be filled with
