A True Tale of Valor

True Valor: doing anything to save the ones you love.

Jesus came to do that.

When He was tempted, He could have been in heaven.

When He was in pain, He could have been in heaven.

When He was rebuked, He could have been in heaven.

When He died, He could have been in heaven.

But He died to save us,

His loved ones,

And rose three days later.

A true tale of valor.
