### My Beautiful Cat

My cat is black and white like an old photograph  
Black and white like a cow  
Black and white like the kitchen floor  
Her hiss is like lightning as it crackles in the sky  
My cat is as white as a piece of blank paper  
Amy is like a tie-dyed bouncy ball  
Half of Amy is bright white like the sun  
Half of her is dark like midnight  
Her side shines like a shooting star  
Her tail glows like dim candlewax  
Her back is like a top-dog telling everybody what to do  
And, of course, she is my beautiful cat, Amy
