

To Cliffs
Aidan Borders, Grade 5
Foothills Learning Center

Oh great sand how old you are
you and cliffs and swallow nests
are like three peas in a pod
but sand, oh sand you are
greatest of all you lay underneath
the dead oh sand oh sand
as the people yell of what
you see all day you hear
the bullfrog croak
you see the green algae
you see the trees
you see the grass you see
the swallow you see the
sagebrush
you see everything.
