### **Tree leaf ballet**

Next, strangely, a white pony  
the size of a dog came from the sky connected  
to wires. He had two small maracas  
in his hands. He played them rapidly home  
on the country farm. What she really wanted  
to do was compose now, perhaps  
she would. He felt like this room  
was erased after every occurrence  
in it, as if to destroy the memory. A simple boy  
and a shy girl dancing the night  
away in each other's arms. She grinned  
as he recognized the literary  
reference as quickly as she. Cold violet  
peacock laptop tree leaf ballet  
jazz dancing. He is gazing  
at me like I am  
the most beautiful woman  
in the world and he is the luckiest  
man alive  
to be with me. It reminds me  
of candy because candy  
makes me dandy.
