

MEMBER DISCOUNTS ONLINE – HELP!

How to purchase a workshop, camp, tickets to an event, or anything with member pricing online through The Cabin’s website.

Current Members

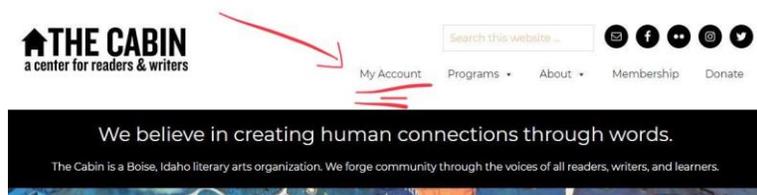

If you are already a Cabin member, you can receive member pricing two different ways. The first way is to enter the MEMBER CODE. How do I get the code, you ask? Chances are, if you’ve been reading the monthly member newsletter, you’ve seen the member code – it is always included with our newsy updates to members. Or, you can always call The Cabin during business hours Monday – Friday and ask a staffer for the code, too.

Enter the code and hit “Apply Code.” Member pricing will appear! Click Add to Cart, and voila! Go ahead and check out.

The second way to receive member pricing is to log in to your Cabin account. Note that if you have ever participated in a Cabin program, you have an online Cabin account even if you’ve never tried to access it before. When you log in to your account, you can see your past purchase history, membership dates, and donation history.

From The Cabin’s website homepage, click My Account.

This will take you to a login screen. Your username is always the email we have on file for you.

To gain access to your Cabin account, first click “I don’t know my password.” An email will be sent to you with a link to reset the password, which you can then set to a secret of your choice. Once this is done, you are all set to log in.

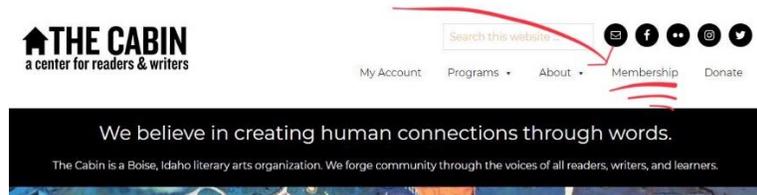

Once logged in, you can check out your order history, donation history, and contact info. If you have a current membership, you can also add anything to your basket, and it will automatically discount to the member price!

To add something to your basket, from here go back to The Cabin website by clicking our logo in the top left corner.

This will take you back to The Cabin's homepage. Find the program you'd like to experience, and when you add the event or workshop or camp to your basket, it will take you back to your shopping cart and your membership pricing will appear.

Lapsed or New Members

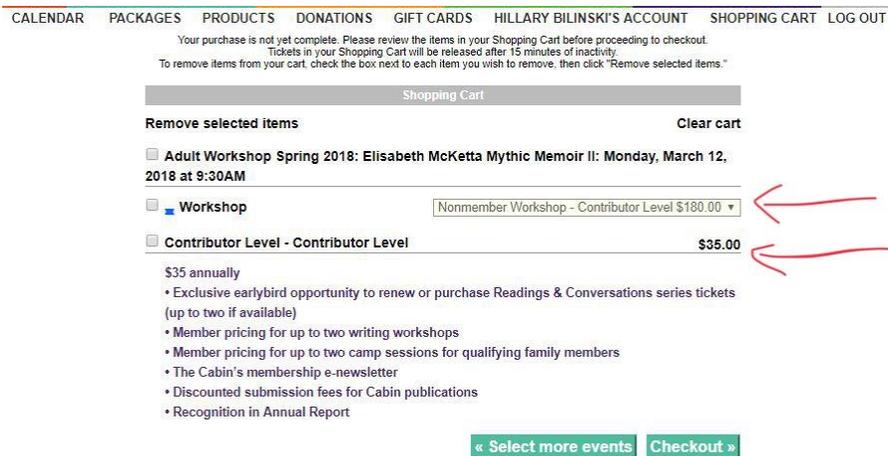

You can receive member pricing online even if you aren't a current member but would like to join or renew. The trick is to add a membership to your basket **first** by clicking the Membership tab on The Cabin's homepage.

Add the membership level of your preference to the basket. From here, go back to The Cabin's website homepage by clicking our logo in the top left corner.

From the homepage, go to the program or event you'd like to experience, and when you go to add the event or workshop or camp to your basket, the member price will appear. Once taken back to your shopping cart, you will see both the membership and your Cabin purchase in the basket.

Once a member, you can always log into your account to receive member discounts automatically. Once logged in, be sure to head back to The Cabin's homepage via clicking the logo, and anything you add that has a member discount associated with it will auto-deduct!

As always, if you have any questions or run into stumbling blocks, please give us a call at 208-331-8000. Thank you for supporting The Cabin!
